

### **Leadership Fellow/Mentee Application Questions**

*Please submit your application using the form linked on the Leadership Fellows Program page by January 31, 2018.*

What is your goal (product) for the year?

*Please note that all projects must relate to the NCSCE/SENCE mission. For example, if you select 'complete tenure or promotion package,' we expect that your detailed project description will be focused on constructing your package based on the applications of NCSCE/SENCE that you have built into your career. Similarly, if you select 'design or revise a course,' your detailed description should include the civic issue around which content will be structured.*

(a) Please select the category (or categories) that fit(s) your project:

- Design or revise a course
- Design or revise a module or learning activity
- Design/redesign a program within a higher education setting
- Design/redesign a program with an informal education setting
- Grow the SENCER community at my institution
- Design and launch a research study on teaching, learning, or professional development
- Prepare a manuscript for publication based on your NCSCE/SENCE interventions
- Write and submit a grant application on teaching, learning, or professional development
- Begin a formal/informal education collaboration
- Explore next career steps/options: moving up the traditional career path
- Explore next career steps/options: non-traditional paths, lateral moves
- Complete tenure or promotion package
- Other

(b) Please provide a detailed description of your goal and your plans for the project year:

#### *Mentorship and Program*

Why do you want to take part in this program?

What does 'mentorship' mean to you?

Have you ever been mentored before? If yes, what did you learn?

Have you ever mentored others? If yes, what did you learn from that experience that would be helpful for your mentor in this program to know?

What expectations of support do you have from NCSCE?

#### *Work Style/Personality Characteristics*

What are the characteristics of people with whom you find you work well?

What working styles or personality characteristics irritate you?

#### *Geographic Preferences*

Because we have a national community, your best mentor match may not be located nearby. If you prefer to be matched only with someone close to you geographically, please let us know here. (Please note, this may limit the matches available.)

Please only match me with someone nearby

Please match me with the best mentor for my needs, regardless of location

*Certifications*

I commit to communicating via phone or videoconference with my mentor at least once each month over the course of the yearlong program. [Please check]

I commit to taking part in the program assessment activities. [Please check]
